The Clever, Better Way to Discover Lake Constance (Bodensee)

The Holiday Pass of Lake Constance 2017

Summer vacations start with the Holiday Pass of Lake Constance (BodenseeErlebniskarte). Cardholders get access to 160 attractions with no hassles or extra fees. Valid in Germany, Austria, Switzerland and the Principality of Liechtenstein, countless adventures await on land and lake—from the old favorites to newly opened venues and destinations. The adult All-Inclusive Holiday Pass is available from April 9 through October 15, 2017 for 41 Euros / 45 CHF (21 Euro/23 CHF for children). The brand new Winter All-Inclusive Holiday Pass is valid from October 16, 2017 so visitors can enjoy Lake Constance treasures all year round.

More Choice: Three Variations on the Holiday Pass

Holidays are more flexible now because the Holiday Pass of Lake Constance SUMMER comes in three different variations and durations. The “Landratten” and “Seebären” tickets offer 160 destinations including the classic sites: Monkey Mountain (Affenberg), Salem Abbey Castle, the Zeppelin Museum in Friedrichshafen, Sea Life Aquarium in Constance, the Stone Age Dwellings in Unteruhldingen, the Pfänder Cable Car in Bregenz and the Säntis Mountain Cable Car Schwägalp. The “Sparfüchse” ticket receives a 30% discount at all the above-mentioned “classic” sites including the Flower Island Mainau. Free boat rides on the White Fleet ships are included with the “Seebären” and “Sparfüchse” tickets.

New Places to Visit

The Stockach City Museum is showcasing “Joan Miró through Otto Dix” alongside 80 others from renowned German author, Heinrich (Heine) Wagner’s private collection. One of the most beautiful southern German Baroque libraries is the Schussenried Monastery along the Thermal Bath Route. The magical Swiss village of Stein am Rhein sparkles like a rhinestone on the river with its 171 oriel windows, the All Saints Abbey, hand-made chocolates, and magnificent painted façades spanning the centuries. Schaffhausen is home to the Rhine Waterfalls and famous watch maker IWC. And, don’t miss cooling off in Lake Constance...a brand new beach and public pools in Fischbach is new and exciting for the whole family.

Unlimited Adventure in Winter TOO

The new Holiday Pass of Lake Constance WINTER valid from October 16, 2017 expands the season of the popular summer offer, making it a good option to visit Lake Constance in the quiet season. More than 60 attractions in three countries and a principality are included in this Winter Ticket. On three days you choose, the cardholder can take cable car rides, relax in hot thermal baths, discover museums and the breathtaking beauty of Lake Constance. No

crowds, no lines. There are exclusive performances that are only available to Winter cardholders. The flexibility offers locals the opportunity to visit many attractions in their area.
